

# Real-Time K-12 Visitor Management

Screen, track and manage  
school visitors

SCHOOLPASS

A 30 day risk-free trial is a great way to see how SchoolPass works in your school. Contact us at [info@schoolpass.com](mailto:info@schoolpass.com).

## Screen Visitors

Screen visitors with background checks (launching 1/19) based on your needs. Visitor types include contractors, volunteers, parents and substitute teachers. Collect different information based on role at sign in/out process.

## Send Notifications

Trigger alerts via email or text, i.e. notify teachers of student late-arrival, staff of key visitor arrival, and security when a specific 'flag' is triggered.

## Track Students

Track late arrivals and early pick-up with clear and concise reporting for day-to-day operations or emergency situations.

## Manage Regular Visitors

Issue a quickpin, barcode or QR code to regular visitors for a faster school sign in process.

## Customize Identification

Print custom-designed badges and a range of visitor lanyards. Take a photograph of each visitor or use a drivers license photo.

## Manage Real-Time Visitor Information

Leverage real-time reporting to account for all visitors at any time, including emergencies.

## CUSTOMIZATION

SchoolPass Visitor Management is fully customizable and we will work with you to find out exactly how you would like your visitor management to operate.
